11,000 Eligible To Vote Here

Bond Approval Today Will Relieve Schools

With more than 11,000 qualified voters in the Campbell Union Grammar School District, an election is being held today on a proposition to issue bonds to the extent of $950,000 and to increase the tax ceiling to $1.80 per $100 so that Monroe Street school can be built to cope with rapidly increasing enrollments within the district.

A total of 11,080 elector cards were mailed out some of which were to doubtful addresses as to whether they are in the district, but these will be checked by election officers with boundary maps. The County Registrar of Voters said yesterday that less than one per cent of the 11,080 voters to whom cards were sent are in this doubtful category.

WILLIAM C. HENLEY
... District Superintendent

The cards notify registered voters of their proper polling places at the Campbell, Moorpark and the San Tomas schools as to the purpose of the election.

Proposition one would increase the tax level from $1.20 to $1.80 per $100 assessed valuation beginning July 1 so as to place the district on a firm financial foundation and pay operating expenses within the rapidly-expanding area.

Proposition two will permit the district trustees to issue another $950,000 in bonds to construct new schools and expand present facilities. A yes vote on both propositions is advocated by the Citizen's Advisory Council.

With 4160 enrolled in the district schools at the close of the term last week, it is expected that 5000 will beenrolled in September by the time classes are resumed, according to William C: Henley, district superintendent.

Today block workers are busy in each area to get out a representative vote.

Campbell Resident Listed In 'Who's Who In The West'

Bernard Barrett of 661 Emory Ave., Campbell, yesterday received notification that his name is listed in "Who's Who in the West" just published by Marquis Publishing Co.

The same company publishes "Who's Who" and both volumes are biographical dictionaries of noteworthy men and women in the United States. The publication in which his name appears deals with the Pacific Coastal and Western States.

Barrett has been employed for the past ten years as a photographer for the National Advisory Committee For Aeronautics at Moffet Field.

He has recently opened his own office in his home as a business consultant and is currently attending the University of California and taking a law course through University of California Extension.

He is a life member of the Air Force Association and has served as secretary of the California Wing of that organization as well as having served as president of the National Federation of Federal Employees, Local 997.

Barrett and his wife and three daughters, Sandra, Randy and Kim, have made their home in Campbell for the past eight years.

Campbell Legion Heads Installed

In joint installations last night of Campbell Post 596, American Legion, and of the Auxiliary in Odd Fellows Hall, Harold E. Peck became post commander with Aline Strickland, president of the Auxiliary.

Mrs. Jessie McKinney, past president of the 13th district, and her drill team from Santa Clara installed the Auxiliary while the 40 and 8 team from Santa Clara installed legion officers. Others installed were:

Harold Strickland, first vice commander; Fred P. Hoffman, second vice commander; Harry Knode, sergeant at arms; Guy Smith, adjutant; Rex Kaber, finance officer; Hugh Nelson, historian; Russell Frey, assistant sergeant at arms, and Dave Ribble, chaplain.

Officers of the auxiliary are: Jonnie McFall, first vice president; Sophie B. Hofmann, second vice president; Evabelle Fuller, secretary; Florence Myring, treasurer; Pat Burch, sergeant at arms; Lorraine Barrett, marshal; Jessie Olson, musician; Viola Adams, chaplain, and Louise Fairchild, historian.

Executive committee women are Henrietta Smith, Annie Tatum and Iva Kaber.

Today is DOUBLE STAMP Day

ORCHARD CITY GRANGE ADDS 28 MEMBERS

Twenty-eight new members of Orchard City Grange were obligated in the 3rd and 4th Degree in Patrons of Husbandry of Orchard City Grange in full form by the Degree team from Springfield Grange June 22.

There were 221 members present and visitors from Springfield, Santa Cruz, Live Oak, Berryessa, Mt. Hamilton, San Jose and Gilroy Granges.

Master Judge Emery conducted the meeting and Harry Barnes, executive of the California State Grange, served as Overseer in the absence of Martin Walsh.

Also present were John Gordon, District Deputy of Santa Clara County; Hubert Brown, District Deputy of Monterey County and Sara Bishop, Santa Clara County House Economic Chairman.

Visiting Master attending were Veryl Thornton of Santa Cruz, Live Oak, Laurel Geiger of Springfield, Ed Thomas of Mt. Hamilton, Harry Mitchell of Berryessa and H. W. King of San Jose.

A beautiful plant was presented to Grace Strickler as Flora of Orchard City Grange by the Lecturer Josephine Biller.

Bessie Merrill, home economics chairman, presented a gift to Leri Richman of Gilroy Grange.

Nellie Rutherford served as chairman of the refreshment committee and was assisted by Mrs. Stanley Smith, Mr. and Mrs. A. P. Peacock, Bob Sholz, Katherine Harriwell and Mr. and Mrs. D. Proctor.

Comdr. A. Russell Tells Flight Story To Kiwanis Club

Members of the Campbell Kiwanis club got a glimpse of the new Douglas F4D plane making its record breaking flight for the Navy when films were shown Tuesday by Lt.-Comdr Allen Russell of 183 Alice Street and Petty officer Gorham Young. This was the second public showing of the film as it hit 761.44 miles per hour to break the British record of 737 m. p. h. The plane from take off to landing averaged 753 m. p. h., zooming past the cameras soundlessly, then with a crackling noise as the plane speed caught up with sound waves.

Comdr. Russell said some planes have climbed 50,000 foot elevations in faster time than for a bomb to fall the same distance.

New members of the Kiwanis is Ted Schenk. Visitors at the meeting Tuesday were Leon Lederman of San Angelo, Texas; Larry Prouleau of Willow Glen, Fred Bradman of San Marino, and Walter Dyck of San Jose.

CAMPBELL MAN RESCUES WATER SKIER

Harlow Johnson of 129 N. Central Avenue rescued an injured man from drowning Tuesday at Lexington reservoir. Mike Cheichi, 27, of San Francisco was on water skis being pulled by a boat driven by his wife, when he fell and struck his head on a submerged stump. His wife was confused and could not handle the boat so Johnson, in his own boat, made the rescue. Two Burlingame policmeen on holiday took turns at artificial respiration and brought him to after thirty minutes.

Traffic Survey Lists Busiest Parking Area

The busiest intersection in Campblel, exclusive of the San Jose-Los Gatos highway, is at the southerly city limits of Winchester Road near Budd avenue, according to the sixteen hour traffic survey held April second under the direction of the Campbell Planning Commission and taken by students of the Campbell Union High School and other volunteer workers. There were 512 more vehicles counted at this intersection than at the northerly limits of the city on Winchester Road at Rosemary avenue.

Clara Baldwin of 96 E. Rincon Avenue proudly shows copy of her book of poems recently published some of which have from time to time appeared in the Campbell Press. A sister, Mrs. Luella Whiteney is an artist of note, working with oils and doing landscape scenes.
One Minute Paloroid Pix

The lowest traffic count was at Hamilton avenue and Central avenue where the 16 hour count was 665. A total of 31,410 motorists were stopped and interviewed during the 16-hour survey from six designated stations.

In the parking survey, which was made on the same date and during the same hours, it was found that the area between First street and the Southern Pacific tracks for a depth of a little over one block on each side had more than twice as many cars parked in it during the day, than did either of the districts immediately to the east or west of it. Cars were parked for a shorter period of time at this point than elsewhere. The second highest count for a parking area was at the intersection of Winchester Road to Third Street on Campbell avenue.

The survey revealed that a total of 2,572 cars were parked for varying lengths of time on streets in the downtown area.. The count shows 1033 cars parked in the bank block on Campbell avenue, 635 were parked from Winchester to Third on Campbell, 579 from Third to First on Campbtll avenue an 325 from S. P. tracks to the Los Gatos Creek bridge.

In the traffic count on Winchester Road, 7742 were tabulated at Budd avenue, 7230 at Rosemary, 6,579 at the Union avenue intersection with Campbell avenue, 5,550 in front of the Grammar school on Campbell avenue, 3,644 at Hamilton avenue west of the San Jose- Los Gatos Road, and 665 on Central avenue north of Hamilton avenue.

Nestor Barrett, planning consultant for Campbell said today that work on tabulating further data from the traffic survey is continuing and that the area surrounding Campbell has been divided into nine origin and destination zones. Volunteers are assembling items of origin and destination as shown on the master map, from each report sheet.

This breakdown will show next the origin and destination zones, purpose of the trip and the hour of the day.

The zones selected for this count will be:

1—Central area of Campbell
2—Saratoga—Los Gatos—Quito—San Tomas.
3—West of Los Gatos including Santa Cruz, Aptos, Pescadero
4—Northerly half of San Jose, Santa Clara and Milpitas
5—Southerly half of San Jose
6—Alameda County and areas north and south.
7—Sunnyvale—Cupertino, Moffett Field
8—Mountain View, Los Altos, peninsula points and west coastal area.
9—South Santa Clara County and points south.

Fred Jones of the Campbell Fire Department, compiled the counts in this phase of the report.

West City Limits

ANNEXATION OF 84 ACRE TRACT PROPOSED HERE

Six pieces of property embracing 84 acres of land west of San Tomas Aquino Creek, between Latimer and Campbell avenues have been submitted to the boundaries commission for approval in annexation proceedings to the City of Campbell.

Angelo and Isabel Bellicitti, two of the property owners in the area, filed a preliminary map with the commission. The other land owners include John Amato, Angelo and Rosalia Messina and Grazi Amato.

The proposition came before the city council on Monday, June 7 through Bokkelan-Cole Co. seeking annexation of 65 acres, the council indicating that the additional twenty acres would make the tract uniform and avoid circumscribing an area. This met the approval of the applicants who stated they would make an effort to include the extra acreage when the map was filed with the boundaries commission.

It projects Cypress, Christopher, and Jane Ann avenues to the north side of Campbell avenue.

Also filed with the boundaries commission was a preliminary map for annexation of 186 acres in Cambrian Park No. 2 to San Jose. It extends from Cambrian No. 1 south to the Los Gatos-Almaden Road and is bounded by Branham Lane on the east and Union avenue on the west and has fewer than twelve registered voters.

Santa Clara proposes to annex Mayette Manor Nos. 2 and 3.

BOYS SIGNED UP FOR SUMMER JOBS

Boys' City, 100 Jackson St., San Jose, is holding its second annual job program to teach boys to earn their own way.

"Job Day" was held Monday at the United Artists Theatre when some 100 youngsters signed up for summer employment.

The job service will be continued throughout the summer on a countywide basis and boys do not have to belong to Boys' City to register for employment.

Further infromation may be secured by calling Boys' City at CYpress 3-8217.

The organization was founded in 1944 by Harry Slonaker in an effort to teach boys democracy and many civic-minded clubs in San Jose have representatives on the board of directors of the group.

Los Gatos Report On Cambrian Annexation Made

By a 4 to 3 vote, the Planning Commission of Los Gatos recommended that any logical annexation plans to be carried out by Town Council, should include Cambrian Park.

During the Friday evening meeting, planners, after a lengthy discussion of Town Manager Karl Baldwin's report on economically feasible annexation, agreed that it is logical to expand by more than 9:05 miles, and take in a proposed 13,300 persons.

Planners, in presenting their views, stated that the move to urge neighbors to the north and west of town, to join Los Gatos is indeed economical now, and will be even more economical in the future.

Today is DOUBLE STAMP Day in Campbell. Buy at home and SAVE.

ANNEXATION STUDY PROPOSED

Drainage District Study In Campbell Area Is Under Way

A proposal to the city council in a letter from Don Stone, of Stone & Schulte Co., subdividers, that a storm drainage district be formed for the city and available to areas to be annexed, was referred Monday evening to the streets, land park committee, Councilman Gordon Daum, chairman, and councilman John Chargin and James Arends. Some county aid to such a district might be possible it was pointed out. Mayor Morton said the proposal merits thorough study.

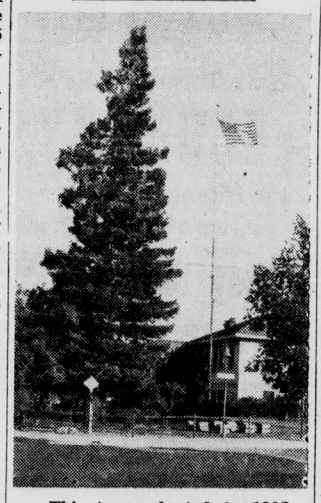
A financial report from the ctiy treasurer, E. C. Merrill indicated that Campbell is on a firm footing with an $81,722.45 balance, which includes a $31,275.83 check just deposited from motor vehicle fees apportioned from the state.

The council granted a permit to Maderis market opposite the Grammar School for fireworks sale, but reject the application from a stand at Winchester and Latimer and also to the Campbell Newstand for sidewalk sales but would approve if sold inside the store as done by other firms to whom permits have been issued.

Council approved employment of Edw. Lobes for eight weeks starting June 26 as member of the police force for vacation relief. Lobes served on the Palo Alto force and will, in September join the regular force at Santa Clara.

Council requested that lights be set up in final plans for the Workmon subdivision, and they indicated the Lewis Smith subdivision be 20 foot curvature and have 3½ foot walk at Central and Hamilton.

The council will be represented tonight at a meeting of the intercity council at Villa Felice when a speaker from the state division of highways will be on the program. Los Gatos is host city.



This tree, planted in 1903 by President Teddy Roosevelt, at Campbell avenue and Winchester Road, will have another plaque placed at its base at 9:30 this Sunday morning, under auspices of the Campbell Junior Chamber of Commerce, with Don Gracier, president, officiating. The new bronze plaque was purchased from funds collected by four Grammar School students. The picture above was taken in October, 1930 when the high school was on the southeast corner.

Cambrian, Union, Moreland School Award Winners

Here are the additional names of eighth grade graduates who on Thursday and Friday received Americanism Awards from Campbell Post No. 596.

Moreland School:

Takeru Kawamota, Harriet Yoshida, Joseph Maggiore, Barbara Kaneyuki.

Cambrian School:

Bobby Joe Williams, Shirley Jean Facchino, William Lawrence, Dorothy Ruth Reeb.

Union School:

Alfred Gouzene, Sandra Hanken, Corrine Mustain, Sylvia Ramirez.

TWO MEN SUSPENDED BY FIRE DISTRICT

Chief Henry Lingua of the Central Fire district has suspended William Deal and Frank Baxter, charged with violations of departmental rules.

Citizens Committee May Be Called To Study Annexation

Deeply concerned over the continued threat of strip annexation invading fringe areas of Campbell and of the tactics used by other nearby cities to disturb school districts, the Campbell city council on Monday evening authorized Mayor Richard Morton to prepare a survey report on areas within a known perimeter which could suitably be annexed to Campbell and indicate by what procedure such annexation might be made. A citizen's committee, including representatives of the three service clubs, the schools and the Chamber of Commerce will then be called to sit in on a meeting and set up policy:

RICHARD MORTON
... Council Concerned

Mayor Morton, aware that Campbell is a new city, said first interest has been to protect against encompassing school sites by other municipalities. He said Campbell to date has considered all annexation on a sound basis, with a receptive attitude for projects that are sound.

"We have not sought strip annexations, nor beat paths to the doorsteps of other cities, nor have we acted as others, in bribing land owners through exploiting our advantages". He said there have been rumors of intent in Campbell to annex various contiguous areas, but the attitude of the council has been that if the areas are interested enough to petition for annexation in regular manner, then if council sees advantages to such annexation, the city was inclined to go ahead.

Because of action by the Town Council at Los Gatos in rejecting plan A by Town Manager Karl Baldwin which allegedly would have increased population some 7½ times and area by 3½ times, a policy has been set there to keep the city on a sound fiscal basis. Plan B includes Blossom Hill Manor, North Los Gatos, La Rinconada and areas within a closer perimeter, while Plan A would have included the same area plus stripping to Cambrian Park district and two areas between Los Gatos and Saratoga.

Councilman Gordon Daum said annexation for Campbell is desirable but the question is how to go about it. Councilman John Chargin said we might be hemmed in on all four sides but we don't want to proceed using tactics like those used by San Jose, Sunnyvale and Santa Clara. He said it would be well to get the sentiment of the people and go ahead slowly with a citizens committee from the service clubs, schools, Chamber of Commerce. Morton said it was a taxpayer problem and Daum suggested the survey form be drawn up feeling the people will be concerned with advantages of a broader tax base. Morton said he was inclined toward the new Los Gatos plan of deliberate annexations within a known perimeter by acting receptively rather than aggressively.

Nestor Barrett, planning consultant said our industrial potential seems to be between the Creek and the Railroad west to Vasona, but that the freeway may make Campbell more of a residential city than industrial. Morton said big industry has located on poor adobe land areas while Campbell has only high valued orchard lands.

Joseph Bonacina, city attorney said annexations are costly, either through elections or by taking uninhabited lands which remain unimproved indefinitely but nevertheless have to be policed and given other service. He said he does not subscribe to the San Jose plan of getting all they can and blocking others from getting their share. Mayor Morton said he would try to have the survey form ready for the next council meeting.

VERLE GRIZZLE NEW PRESIDENT OF LIONS CLUB

District Governor Jud Holland installed the officers of Campbell Lions Club Tuesday night at a dinner dance held at the Villa Felice. The following officers were installed:

President, Verle Grizzle; 1st Vice, William Quigley; 2nd Vice, Ambrose Mirassou; 3rd Vice, Theodore Solari; Secretary, Robert James; Treasurer, Claude Smith; Tail Twister, Morris Bennett; Lion Tamer, Ronald Arnold; Directors, Reese Parker, Thayer Lyons, Rudy Golden, Jack Volkers.

Seventeen 100% attendance pins were presented by Col. M. Bricker, Zone Chairman, Deputy District Governor, Mike Mikelson, presented George French with his past president's pin. French was also given a fitted barbecue basket, portable ice chest and barbecue equipment by the club members.

Harry Perin, outgoing zone chairman was given a pen and pencil set.

Guests of honor were: District Governor, Jud Holland; Deputy Dist. Governor, Mike Mikelson and Mrs. Mikelson; Cabinet Secretary, Les Harte; Zone Chairman, Colonel M. Bricker and Mrs. Bricker.

Pick-up Overturns On Winchester Rd.

A pick-up driven by Johnnie Castneda of Rt. 1, Box 546, Saranorth of Sunny Oaks Monday toga, ran off Winchester Road morning and turned over.

Castneda said that he was driving north on Winchester Road when the traffic ahead stopped suddenly. In an effort to stop he pulled the pick-up over on the dirt shoulder causing the car to skid. Trying to save hitting a telephone pole he turned to the left and the vehicle overturned.

Some damage was done to the right side of the truck which is owned by Harley Beatty, P. O. Box 625, Los Gatos, but no injuries were reported.

Building Permits In Campbell Area

Building permits issued recently for the Campbell area include one to J. L. Lauro for $150 for an addition at 660 Pamlar Ave., Campbell.

Horace Chappell for a dwelling on Lot 3 on Abbott off Pollard Road for himself in the amount of $7,500.

Giles Adrian in the amount of $20,000 for two duplexes, lots 35 and 36 Central, Campbell.

The Wilder Co. for an addition to a shopping center at Union and Camden, Los Gatos for Schaeffer Land, Inc. in the amount of $124,000.

TRAIN SMASHES TRUCK ON TRACKS

The front end of a pick-up truck owned by Western Gravel Company was damaged last Friday morning on the railroad tracks at Kennedy Ave., by a Southern Pacific train backing south.

Driver of the truck was Eugene R. Peters of 440 Craig Ave., Campbell, an employee of Western Gravel.

Peters said that he saw the train but was unable to back off the tracks in time to avoid the collision.

No injuries were reported.

EDITORIAL

RUSH FOR ANNEXATION

There is some serious thinking and planning to be done in Campbell in the next few weeks to decide some course and policy for annexation of contiguous lands. This is something which might well have been left to natural developments had it not been that on all sides of us, great arms began reaching out to clutch the very lives out of any unincorporated areas.

Except for one side, we are already encompassed on three sides by the City of San Jose. Monday that city took a firm step toward gobbling up Cambrian Park by opening negotiations for the purchase of a combined park and fire station between Ross and Camden avenues just off Foxworthy Road. Their planning commission now has the matter up for action. So confident is the city of its approval that they went ahead and approved annexation of the uninhabited Cambrian Park No. 1, then listened to City Manager Hamann say that Cambrian No. 2 is now in the hopper. It covers 186 acres, if you please, and would complete the east side continuity.

This, if successful would bring San Jose stumbling blindly to Campbell's door steps.

Mayor Richard Morton is setting up a questionnaire on annexation policies. The point is whether it would be wise to be aggressive toward annexing contiguous lands, knowing full well that fire, police, sewer and other services must be provided. Higher tax base may result if the lands are valuable, and if the population is increased by such annexation, then the returns from the state on tax apportionments increase accordingly.

It is not so much the desire of the Campbell city council to seek out such annexations, as it is that they do so in self-defense. It is not so much that a pattern of annexation is desirable, as it is that lands so annexed will come to realize the advantages of being a part of a solvent city that is destined to grow and that is determined to remain solvent.

The three service clubs, the schools, the Chamber of Commerce might well send representatives to make up a citizen's committee to delve into this problem. It must be deliberately planned. The council wants a vote of confidence. They want it now, before it is too late.

COMMUNITY LEADERSHIP

The Chamber of Commerce has set up a standard that it will work with the various civic organizations for the betterment of the community. It is one of the stated functions of the organization to originate a program seeking to attract industry, wholesalers, retailers and new home owners to Campbell.

The program calls for a study of future annexations to Campbell, and it proposes a publicity program designed to keep Campbell favorably in the public light.

It is a worthwhile program, needing sound leadership backed by good public relations to be successful. There is a definite need for such a program and purposeful organization in Campbell.

PROTECTIVE COLORATION

An entirely new factor in highway safety education has been evolved by four traffic engineers of UCLA is a study to determine how colors affect a person's judgement of distance.

The color of car you drive may directly determine whether you become involved in an accident! Colors much lighter or darker than the background can seem as much as six feet closer than those that more nearly match their surroundings, the engineers found —and a mistake of six feet in judging distance can possibly put a motorist six feet under the ground.

The safest car coloring, according to this report would be two-toned, preferably blue to contrast with the light background of daytime and fog, with yellow to be more easily seen at night.

The bleak thought intrudes that protective coloration would still leave a motorist defenseless against the reckless speeders who cause most highway accidents—but at least it might serve to cut down mishaps from mere errors in vision.

SHOP IN CAMPBELL — IT PAYS

Women are hard people to convince. But we know of a certain young local matron who has been pretty well converted. She lived in the big town for many years, and her shopping habits were pretty well geared to the big town's stores.

In due time, like so many others, she and her family decided that the confines of a large city were not for them; so they moved to the more country-like atmosphere of Campbell. But the lady's shopping habits persisted. "So much more selection, so much more this ... that ... price ... price." Her husband however, sought more convenience in his buying. He came into the Campbell merchants' stores, liked what he saw, and came back for more.

The time came for some major purchases. A new washer-dryer combination was needed. "The big town," said wife. "Shop around," said dad, "I'll bet I can get a better deal here in Campbell." She did—he did, too. They **saved over a hundred dollars in the purchase of a stove, a rug, a washer-dryer, and some dining room furniture—right here in Campbell!** She has been converted. You will be, too if you do your buying right here! **Double Stamps today, too!**

(The above is a true "case history." Names, dates and merchants' names will be supplied on request.

The Campbell Gambol

A BRONZE PLAQUE Has been received by the Chamber of Commerce through work of a quartet of Grammar School students from the classroom of J. E. Ballenger for placing at the base of the Roosevelt tree on the southeast corner of Winchester Road and Campbell avenue .... the tree on October 27, 1930 measured three feet in diameter at the bast and stood seventy-five feet high, so on that day in the Campbell Union high school Teddy Roosevelt-day was celebrated, when the president of the Student Body Stephen Merrill, read the following poem:

OUR SENTINEL

In the midst of the "Valley of Heart's Delight"
A sentinel stands by day and by night—
A beautiful redwood evergreen tree
Planted by Roosevelt in nineteen three.

A specimen taken from naturt's own bower
Where the mammoth Sequoias in majesty tower,
Where the fog and the mist sweep out from the bay
And the sun piercing through them drives them away.

Just an infant in arms was our sentinel then,
But caressed and held straight by a king among men.
Proud now it stands distinguished and true—
A western aristocrat through and through.

A nobleman planted our beautiful tree,
Then anon he went off away out to sea.
We know that he ne'er will return to us more
But his words spoken then we read o'er and o'er;
And we gather each year around the dear tree
That was planted by Roosevelt in nineteen three.

STAMP DAY TODAY IN Campbell and some of the merchants carry good punch lines in their portions of the page ad in this issue ... Bensons the Cleaners says—if your clothes are not becoming to you then you should be coming to us ... Jeffers the clothier says—if you don't think clothes are important try going with out them, if so—try us.

SIGNS OF THE TIMES—the printed sign on the rear of a florist shop station wagon "Drive Safely—the next load may be for you" ... the big story breaking in the Campbell Press and the Saturday Evening Post about the Fur Breeders Agency of Campbell, making Chinchilla pelts and a coat to cost in five fgures back of the dollar sign, a story which we know will go into 3,002,763 homes ... the popularity of the swim pool at the high school as Summer weather sweeps in on us.

Norman English Is Honored By PT&T

Norman H. English, telephone company engineer was recently honored by the company at a forty-year service anniversary luncheon at Lotta's Fountain in San Francisco.

Many friends and co-workers were on hand to witness English receive the Bell System service emblem with six gold stars.

English first joined the Bell System in Philadelphia where he started with the construction department.

In 1922 he transferred to Pacific Telephone in San Francisco, then moved to San Jose as district engineer in 1923. In 1950 he returned to San Francisco and worked in the Chief Engineers' Department.

English is a resident of Los Gatos. He is married and has three daughters and four grandchildren.

Summer Courses At San Jose State To Start June 28

Over 250 courses will be offered this summer by San Jose State College in celebrating the Golden Anniversary of its Summer Sessions. The college will hold this year's Summer Sessions, the 50th since 1904, from June 28 to Sept. 3. The first session will be held for six weeks, from June 28 to Aug. 6, while the four-weeks session will run from Aug. 9 to Sept. 3. Courses covering the entire ten weeks also are available.

Enrollment is expected to exceed 3000, many of whom will be teachers, according to Dr. William G. Sweeney, acting dean of educational services and Summer Session. Fees are $5 per unit and $2 for student activities fee.

Special features of the Golden Summer Session will include five workshops on audio-visual and other curriculum materials, aviation, citizenship, elementary science. and kindergarten-primary teaching.

Other outstanding summer courses being offered by San Jose State include a school publications workshop, a demonstration school, remedial reading clinic, Summer Sessions orchestra and chorus, and a class on radio and television in the classroom.

The Summer faculty, in addition to 122 resident teachers, will include 50 visiting professors. Among these will be Peter Bortocci, professor of philosophy at Boston University; Lloyd E. Bevans, consultant in elementary education, State Department of Education; Carroll Champlin, professor of education, Pennsylvania State College; and Ralph D. Gustfson, University of Hawaii.

George Milias New Prexy SJSC Alumni

George W. Milias, Jr. has been elected the new president of the San Jose Stete College Alumni for the 1954-55 year term, it was announced recently by the campus Alumni Office.

Milias, a native of Gilroy, California, is a member of the class of 1947, and makes his home in Gilroy where he manages the Milias Hotel and Steak House.

He served on the Alumni Board of Directors for the past four years, and last year was elected vice president of the Association. He succeeds Dr. Arthur C. Heinsen, Jr., outgoing president, of San Jose.

Milias is a members of Rotary Club, Elks Club, Native Sons of the Golden West and the Gilroy Sportsman's Club. He is affiliated with Sigma Alpha Epsilon fraternity, Phi Alpha Theta, honorary history society, Phi Mu Alpha, honorary musical fraternity, and he is state vice president of the California Republican Assembly.

In addition, Milias is the chairman of the Charles Gubser political campaign, and a member of the Santa Clara County Grand Jury.

LETTERS TO THE EDITOR

Opinions expressed in this department do not necessarily reflect the editorial policy of this newspaper.

Editor, Campbell Press,

With the closing of St. Lucy's School last Thursday, St. Lucy's Mothers' Guild ended a most successful year for the school and for our group.

We wish at this time to thank the Campbell Press for the publicity they have so generously given our group helping to make our projects a success. Also the stores which displayed the crocheted articles for the Guild—Benson's Cleaners and The What-Not Shop, and people who helped make our project a financial success.

MRS. LEROY HOWELL,
President St. Lucy's Mothers' Guild.

LEGAL NOTICE

RESOLUTION NO. 124

BEING A RESOLUTION AND NOTICE OF INTENTION TO ANNEX CERTAIN UNINHABITED TERRITORY CONTIGUOUS TO CITY OF CAMPBELL, COMMONLY KNOWN AS THE LANDS OF LEWIS SMITH, ET AL, AND DESIGNATED AS CAMPBELL ANNEXATION 1954-2, AND FIXING TIME AND PLACE OF HEARING, PURSUANT TO PROVISIONS OF ANNEXATION OF UNINHABITED TERRITORY ACT OF 1939.

WHEREAS, the City Council of City of Campbell did heretofore receive written requests and consents from all of the owners of the hereinafter described lands for the initiation of proceedings to annex said lands to City of Campbell, and

WHEREAS, the City Council did heretofore, and now finds and determines that the territory to be annexed is contiguous to the boundaries of City of Campbell, and that the annexation of the same would help to render more symmetrical and uniform the city boundaries of City of Campbell; aid city planning; provide better administration; give to the contiguous area municipal services which will benefit the entire city; provide for a more equitable tax base, and serve the best interest and convenience of City of Campbell, and

WHEREAS, the City Council has on its own motion, and does now initiate proceedings for the annexation of said territory, and has secured the approval of the Boundaries Commission of the County of Santa Clara, and has complied with all other statutory requirements provided by the "annexation of Uninhabited Territory Act of 1939".

NOW, THEREFORE, BE IT RESOLVED by the City Council of City of Campbell that it is its intention to annex to said City pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939, the territory, commonly known and designated as the lands of Lewis Smith, et al, Campbell Annexation 1954-2, the boundaries of which are more particularly described as follows:

Beginning at the southeasterly corner of Lot 77, Tract No. 998, a map of which is recorded in Book 41 of Maps, page 11, Santa Clara County Records; thence along the existing boundary of the City of Campbell, South 89° 57' 53" East, 411.06 feet to a point in a line parallel with, and distant easterly 219.26 feet, measured at right angles, from the easterly line of said Tract No. 998; thence along said parallel line, North 0° 27' 53" West, 1,108.63 feet to a point in the southerly line of Tract No. 515, a map of which is recorded in Book 34 of Maps, page 32, Santa Clara County Records; thence along said southerly line of said Tract No. 515, South 89° 43' 22" West, 407.81 feet; thence along the center line of David Avenue as shown on map of Tract No. 972, which map is recorded in Book 38 of Maps, page 2, Santa Clara County Records, South 89° 43' 22" West, 135.05 feet to a point in the existing boundary of this City of Campbell; thence along said boundary South 0° 27' 53" East, 30 feet; thence following the existing boundary of the City of Campbell easterly along the southerly line of David Avenue, and southerly along the westerly line of Central Avenue to the point of beginning.

BE IT FURTHER RESOLVED, AND NOTICE IS HEREBY GIVEN, that Monday, the 19th day of July, 1954, at 8 o'clock p. m. of said day, at the Council Chambers of City of Campbell in the Country Women's Club House, on the southwest corner of First Street and Campbell Avenue in City of Campbell, are hereby fixed as the time and place for the hearing of written protests and objections to the said proposed annexation, which said protests shall state the names of all of the owners of the property affected, and the description and area of the property in general terms.

BE IT FURTHER RESOLVED that a copy of this Resolution and Notice be published once a week for two successive weeks in the Campbell Press, a newspaper of general circulation, published in said City, and once a week for two successive weeks in the Los Gatos Daily Times, a newspaper of general circulation published in the County of Santa Clara, State of California, and that the City Clerk forthwith mail a written notice of the proposed annexation to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll available on the date the proceedings were initiated, at the address shown on said assessment roll or as known to said Clerk, and to any person who has filed his name and address of the lands in which he has any interest, either legal or equitable with said Clerk.

PASSED AND ADOPTED this 16th day of June, 1954, by the following vote:

AYES: Councilmen: Arends, Chargin, Daum, Rose, Morton.
NOES: Councilmen: none
ABSENT: Councilmen: none
APPROVED:
RICHARD W. MORTON
Mayor, City of Campbell
ATTEST:
DOROTHY TREVETHAN
Clerk, City of Campbell

Local Teacher Wed Saturday

March Leigh Townsend became Mrs. Wickliffe Raper Miller at a formal ceremony late Saturday afternoon in Trinity Episcopal Church at San Jose.

The Rev. Mark Rifenback officiated at the 5 o'clock rites.

The bride was given in marriage by her father, Irving D. Townsend of Gallup, New Mexico.

March made her own ballerina length wedding dress of polished cotton with an overdress of white organdy fashioned with tiny puffed sleeves. The embroidered hemline of the gown was accented by the hoop skirt of polished cotton. Tiny mitts of embroidered organdy completed the ensemble. She wore drop earrings which are a family heirloom and for her something borrowed she wore a friend's pearls.

The bridal bouquet was fashioned of yellow roses, white jasmine and miniature white iris with yellow throats.

Mrs. Charles Roger of Los Angeles was matron of honor wearing a yellow frosted organdy patterned after the gown the bride wore and carried tiny yellow iris and white carnations.

Bruce Henderson of Berkeley served as best man and ushers were Irving D. Townsend and Neil Lanphear.

Mrs. Townsend selected a lime green suit complimented by black accessories and pinned a corsage of white carnations and purple violets at her shoulder.

The groom's mother, Mrs. Wickliffe Miller of Albuquerque, New Mexico, chose a dress of navy lace and carried out the navy blue in her accessories. Her corsage which she carried was of red and white carnations.

A reception was held following the ceremony at the home of the bride's aunt and uncle, Mr. and Mrs. Joseph Long of Douglas Lane, Saratoga.

The bridal party received the guests before the fireplace which was banked with white gladiolas, blue delphinium and jasmine.

Spring flowers were used through the house and in the dining room where a buffet table was centered with a three-tiered wedding cake decorated with white flowers and silver leaves. A garland of spring flowers were placed at the base of the cake which was set off by large crystal candlesticks holding tapers of white.

The bride selected a white suit with a fine line overplaid of brown and black and brown and white accessories for her going away trip. She pinned a corsage of yellow roses nad white jasmine at her shoulder.

After the honeymoon the young people will make their home in Berkeley while the bridegroom attends the University of California. Mrs. Miller who formerly taught at Moorpark School, has accepted a teaching position with the Piedmont Schools.

There are 8 ½ miles of inspection galleries and 2½ miles of shafts in the Grand Coulee Dam in central Washington.

SPORT TAKES

by PAT HERNON

YOUR "LUCKY" SPORTSCASTER

Jojo White, former Detroit Tiger outfielder and ex-manager in the PCL, likes to tell this story on himself.

He was playing centerfield for the Tigers in a wet game in Yankee Stadium. With a man on second Joe DiMaggio singled sharply to center and White tried to cut the run off at the plate. The damp ball slipped as he threw and sailed over the catcher and up against the backstop.

PAT HERNON

The catcher took the rebound and heaved it toward second to get DiMag who was now steaming into the keystone sack. But the throw went over the infielder's head and again rolled across the damp grass to White in centerfield.

By the time Jojo retreived it, the ball was even wetter and DiMaggio was heading for home on the comedy of errors. White tried another peg to the plate, but unsuccessfully. Again the ball banged into the backstop.

The next batter flied to White in center and he made the catch and the game was eventually finished.

In the lobby of his hotel that night White was stopped by a stranger who asked if he remember the two consecutive throwing errors. White, in no happy frame of mind at being reminded of the incident, growled that he wouldn't be likely to forget it for some time.

The man replied, "Well, I just thought you might be interested in this. I was at the game sitting back of home in the row behind a couple of old white-haired ladies who obviously didn't know too much baseball. When you took that fly after the series of errors, one of the ladies leaned over to the other and said, 'Better duck, Mabel, he's got it again.'"

★ ★ ★

There is more than one guy in this vicinity still muttering to himself about what an unsavory character Ben Hogan is for shooting an eight-under par 64 in the "I Beat Hogan" competition. The little man sure shattered the dreams of those golfers who turned in 65's and 66's and thought they were mortal cinches to best the national champ.

★ ★ ★

If George Kell had started for the Chicago White Sox and played closer to his potential, it might have been entire Chisox infield starting the All-Star game for the American League.

There's no real stickout at third base since Al Rosen of Cleveland switched to first base.

★ ★ ★

And, although they all probably won't make it, who could find fault with an All-Star infield including Chico Carrasquel at short, Nellie Fox at second and Ferris Fain at first?

★ ★ ★

A novelty company has a small advertisement in the Sporting News, national baseball newspaper, offering "Major League Pennants" for 50 cents each. Wonder if Paul Richards, Charlie Grimm and some others would be interested?

★ ★ ★

Ed Cereghino, the Daley City, Calif., bonus player signed by the New York Yankees, finally seems to have become an AAA baseball player.

★ ★ ★

Big Ed stumbled around without being able to win consistently for a couple of years. Again this year he got off to a rough start with the Kansas City Blues of the American Association.

★ ★ ★

But he seems to have shored up and seems headed for a winning season and a possible shot with the Yanks. He already has a one-hitter to his credit for the 1954 season.

Hear Pat Hernon's Lucky Lager play-by-play re-creations of major league games of the day over KYA. For the week of June 27 the broadcast times for major league games are: Sunday (Cardinals-Dodgers), 11:15 a.m.; Monday & Tuesday (baseball classics), Wednesday (Dodgers-Giants), Thursday (Yankees-Red Sox), Friday (Nationals-Yankees), Saturday (Nationals-Yankees). Monday through Saturday broadcasts at 10:30 a.m.

No-Hit Game In Pony League Here

A no-hit, no-run game featured the opening of the Pony league on the high school grounds in Campbell this week.

A pitcher's battle between Julie D'Anna of Avilas Market and Tom DiPollino of Cambrian Kiwanians, resulted in a 2-2 tie, with DiPollino striking out 14 and allowing but two hits. Larry Madril was catching for Cambrian while J. Carter did the receiving for Avilas.

On the same day the Campbell Lumbermen with Don Kitajima on the mound and Larry Hull receiving, won 3 to 2 over the Campbell Rotarians who had Jim Keech on the mound and Jim Corbus backstopping. Carl Carlintini tripled to help the winners. Corbus made three hits in three trips to the plate for the Rotarians.

On Tuesday the Bishop Hawaiians trounced the Campbell Kiwanians 16 to 1 behind the one-hit pitching of George Alvarado. The Kiwanians made seven errors. The Campbell American Legion Legion swamped the Campbell Lions 10 to 0 with Max Kinsey hurling a no-hit no-run game. Kinsey banged out a triple, double and a single on the offensive while Stan Woods went 2 for 2. Mike Harden and Jim Tyrell did the hurling for the Lions with Carlos Ochoa receiving.

TRY A CLASSIFIED AD IN THE CAMPBELL PRESS

Softball League Games At Night

In the Campbell Softball league Monday the scheduled game between Mac's Market and VFW was forfeited to VFW when some unlisted players appeared in Macs lineup. In the game Tuesday evening, however Mongoose won 10 to 8 over the Concrete Servicemen.

Rev. Herbert Neale Is Reappointed To Campbell Church

Bishop Donald H. Tippett today reappointed Rev. Herbert W. Neale to the Campbell Methodist Church, in closing the annual session of the California-Nevada Conference of the church at Stockton.

REV. HERBERT NEALE
... To Remain Here

Some 500 ministerial and lay delegates from 330 churches learned that Methodist membership in the conference has risen 5 per cent, to 96,639, in the past year, and they set a goal for a net gain of 10 per cent during the coming year.

Resolutions were featured by the assailing of loyalty oaths as "of no effect on the disloyal." Moral support was voted for churches which test the constitutionality of the California law which requires signing the oath as a pre-requisite for tax exemption.

To further meet the needs of the growing population, a program of raising more than one million dollars in the next four years to start new churches was approved. Half of the $200,000 to be sought this year is within the record $775,000 budget adopted for conference administration and benevolences.

The Rev. Edwin Bowling of 133 E. Casey Road, has been named as minister of visitation for the Campbell Church, where formerly he was pastor.

At the Campbell Methodist Church, Sunday School attendance average increased 25% during the year as also did Youth meetings.

IN YOUR GARDEN

By WALTER SWARTZ
Executive Secretary
Southern California Floral Association

HELP YOUR ROSES....

One flower that will always draw admiring ohs and ahs from your neighbors are your

roses—if you take care of them.

For best results with these beautiful plants, use a liberal amount of water during the growing season and continue cultivation regularly during the summer months.

Experts tell us thorough irrigation is necessary each week, with the soil soaked to a depth of from 18 inches to two feet. Light sprinkling is insufficient, they emphasize; thorough watering is required.

Roses of all kinds need a rich soil, not only at planting time, but all through the growing season. Every two months an application of plant food to the soil is necessary. The use of a liquid plant food such as Folium will lighten the task, as this particular type of plant food is absorbed through the leaves and stems, thus assuring immediate results.

And remember, the application should be over an area as far as the spread of the plant.

Roses require some close attention for best results, but they make such a beautiful addition to your garden, they're worth any little temporary trouble.

SENIORS AWARDED SERVICE PIN S

Seventeen seniors were awarded service pins for having held offices, serving on commissions or for doing outstanding work at the Campbell high school. They were Vivi Andres, Joan Oeser, Ann Chambers, Dianne Bowman, Bob Stubbe, Pete Pohlhammer, Myrtle Hertrick, Dick Takaha, Marilyn Uyeda, Don Davis, Joan Schallich, Sandi Howard, Barbara Dunton, Alice Lassen, Joan Arnaudo and Dede Solari.

Stork Shower Honors Mrs. Ralph Dodd

Seasonal flowers decorated the home of Mr. and Mrs. Norman Mowery of East Campbell avenue Friday evening, June 11, for the stork shower, honoring Mrs. Ralph Dodd of Cambrian Park.

Present were the Mesdames Elta Wade, J. Fabris, Mac McCullouch, A. Stajanovich, Mr. Murphy, J. Quintarelli, G. Nelson, Edwin Oster, Jack Ellison, M. Stockdale, Jess Smith, Robert Bogner, Wm. DeRosa, J. Cusick, J. Miller, M. Kelly, and George Shoemaker.

Mrs. Ray Kothe assisted Mrs. Mowery as co-hostess.

CAMPBELL REGISTER

Mr. and Mrs. DALE LLOYD and their family of 915 Estrellita Ave. left by automobile last Friday to visit relatives in Louisiana and the mid-West.

Mr. and Mrs. J. B. PARKER of Reno, Nevada, were houseguests over the past weekend at the Milton Parker home, 905 Monroe Ave. The visitors are Milton Parker's mother and father.

Mr. and Mrs. JOHN ZAUSEN and family of 930 Lovell Ave. are on a trip to Pennsylvania to visit with relatives.

The KENNETH BITZER family are leaving tomorrow for a visit with Mr. Bitzer's parents in Pennsylvania. The Bitzers make their home at 995 Juanita Way.

Miss BARBARA ENOCHS, daughter of Mr. and Mrs. William Enochs of 240 South Winchester Road, is home from Stockton where she has been a student at the College of the Pacific.

Returning from a 2000 mile motor car trip this week to Zion and Bryce Canyons, Mr. and Mrs. JOSEPH AGOSTINHO of Alice Way reported having spent several pleasant hours there visiting the Fred Joneses, former owners of a service station in Campbell.

A group of some 90 of their friends gave a surprise party recently for Mr. and Mrs. C. E. BRADLEY at their new home on Ravenswood Drive. Mr. Bradley is business manager for the Campbell Grammar school. The visitors brought enough for a pot luck dinner. A fire screen and set was presented as a gift from the visitors.

WILLIAM ENOCHS, well-known accountant of Campbell and president of the Chamber of Commerce, returned to his home this week following several weeks at the San Jose hospital where he was being attended for a heart ailment.

Mrs. ANAMAE PEREIRA of 386 Harrison Street recently returned to her home after undergoing surgery at Peralta Hospital in Oakland and at San Jose Hospital. Mrs. Pereira is recuperating and now able to have visitors.

Quito Scott was home recently on a five-day furlough from Yountville Veterans Home in Napa County visiting his brother, J. B. Scott of 60 Central Ave. The visitor formerly made his home in Campbell, served as assistant fire chief of the Campbell Volunteer Fire Department and was employed at the Hunt Cannery.

VIRGINIA KOHLER, accompanied by children KATHY and ROY JR., departed for a months visit with friends and relatives in Minnesota.

Mr. and Mrs. EARL BUCK, accompanied by Mr. and Mrs. EVERETT NELSON, are currently enjoying an extended vacation in Yosemite.

Rev. HERBERT NEALE was guest speaker at the DeMolay installations, held last Friday evening in Los Gatos. Charles Nelson was installed as Master Counsellor during the evening ceremonies.

Mr. VERN LAWSON of East Campbell avenue returned last week from an extended visit with friends and relatives in Ottumwa, Iowa.

Mr. and Mrs. ROBERT JANES of 346 Regina Way have as their houseguests, Mrs. Janes's sister, Mrs. WALTER JONES, and her daughter JUDY, of Jamaica. The visitors plan to stay until August when JOYANNE JONES, daughter of the Walter Jones' plans to be married.

Mr. and Mrs. GEORGE FRENCH left Tuesday evening for a two weeks vacation in Washington.

LOCAL COUPLE ARE WED AT EVENING RITES

Patricia JoAnn Gilbert and Matthew Henry Davis were wed in a double ring ceremony last Friday evening at the Stone Church in Willow Glen with the Rev. Thomas Simpson officiating.

The bride selected a white nylon and Chantilly lace wedding gown floor length, for the ceremony. Her finger tip veil was secured by a crown of seed pearls and her bouquet was of bouvardia centered with a white orchid.

Bridesmaid was Mrs. Kenneth Stuckey, sister of the bride. She wore a floor length gown of blue taffeta and carried matching blue delphinium.

Mary Gilbert, sister of the bride, also wore blue taffeta and had a corsage of white daisies at her wrist. She and Gary Brandt served as candlelighters.

Patricia was given in marriage by her father, Herbert C. Gilbert.

Mrs. Gilbert selected a navy dress accented with white for the ceremony and pinned a corsage of white carnations at the shoulder.

The groom's mother, Mrs. Clifford Sr. of Port Ewen, New York, wore a floral print and a corsage of pink carnations.

Denver Miranda of Campbell served as best man and the ushers were Kenneth Stuckey and William Brandt

A reception for over 100 guests followed the ceremony at the home of the bride's parents at 894 White Oaks Road, Campbell.

The blue and white color theme was carried out in the decorations at the Gilbert home with white daisies and at the buffet table with crystal candlesticks holding blue candles and tied with blue bows.

Focal point in the room was the lovely three-tiered wedding cake frosted in gleaming white with here and there a touch of the faint blue.

Among the guests from out of state were Mrs. Bruce Davis, of New York, the groom's sister-in-law, and Patricia's uncle, Thurman Murphy of Marshall, Illinois.

After a brief honeymoon in Carmel the young couple are now at home on Harrison Street in Campbell.

Local Woman At Jaspar Park Meet

Mrs. Eugen C. Andres, Jr. of 140 Flamingo Drive, Campbell, left by train Monday afternoon to take part in the 40th biennial convention of Kappa Kappa Gamma at Jaspar Park in Canada, June 24th to July 1st.

Mrs. Andres will serve as chairman of the historical pageant to be held at the convention. She is in charge of the installation of officers of the national organization.

She is a past national president of Kappa Kappa Gamma and is on the advisory board of Delta Chi Chapter of the sorority at San Jose State College.

Locally she has served as president of the Campbell High School PTA.

NEWCOMERS

Among the newest arrivals in the Campbell area are a son, David Howard, born June 11 at San Jose Hospital to the Augustus L. Gladdings o 659 Robin Lane, Campbell.

Terence Patrick Moran born June 11 also at San Jose Hospital to the Paul S. Morans of 12585 Quito Road, Saratoga.

John Frederick Roberts born June 11 to the Kenneth E. Roberts family of 653 Michael Drive, Campbell, at San Jose Hospital.

A son born June 9 to the Arthur Desens o 14912 Union Ave., Los Gatos, at San Jose Hospital.

Jerry Joseph Woolledge born June 16 at San Jose Hospital to the Robert Woolledges of 17980 Los Olivos Drive, Saratoga.

A son, Mark Edward, born to Mr. and Mrs. Ralph Olson of 18693 Devon Ave., Saratoga on June 15 at San Jose Hospital.

Michael Anthony Budalich born Jue 11 to Mr. and Mrs. Anthony Budalich of 562 Winchester Road, Campbell.

Wilderness Areas are designated by the Secretary of Agriculture upon recommendation of the Chief of the Forest Service.

Local Artists Enter Paintings In July Exhibit

Sculpturing and paintings, representing the work of 35 members of the Los Gatos Art Association, will be on exhibit at the Santa Cruz Art Gallery, 526 Broadway, Santa Cruz, during the month of July.

Art members exhibiting are Oronzo Abbatacola, Patricia Abell, Grace Addison, J. R. Alston, George Bendixen, Edith Buhler, Georgina Burke, Nelli Brent, Peggy Carroll, Cecil Chamberlin, William Cunningham, F. H. Cutting, L. E. DeJoiner,

Warren Eitel, Ralph Earhart, Pearl Houk, E. Edwin Johnson, Dorothy Kaucher, Mildred Kaucher, Clyde Kelley, A. G. Lippman, Eva Lee, Vernon H. Lee, Margaret Morse, Myron J. Newhall, Marion Smith, Milton Snyder, Harriet Sprague, Geneva Stark, Evtlyn Swickard, Grace Walsh, Mariette Veroul, Agnes Prusman, Clude Pruscan, and Florence Blakeslee.

SARATOGA POSTMASTER PLANS TO RETIRE SOON

Llewellyn Peck, postmaster at Saratoga for the past eleven years, said yesterday that he will retire in September. He is 68, a democrat and his retirement is voluntary, he said. He was formerly a newspaper man, publishing the Saratoga Star which later sold to the late H. L. Baggerly.

African Violets Topic At Club

Mrs. A. J. Waller of Blossom Hill Road spoke about African violets at the meeting last Wednesday afternoon of the Campbell Garden Club.

Highlight of the talk was the speaker's description of hand pollinating the violet flowers to produce seeds and her own culture of the seeds.

Members gathered at the home of Mrs. Charles Smith on Isobel Drive in San Jose and in the absence of the club president, Mrs. Robert Dunn, the vice president, Mrs. Beverly Edick, conducted the afternoon session.

Mrs. Tom Totaro was accepted into the club as a new member and guests for the afternoon were Mmes. J. E. Thompson, Alvin Williams, Edmund Tate and C. M. Hardy.

Mrs. Alfred Drake, club garden consultant, discussed the care of chrysanthemums and dahlias.

Refreshments were served by the hostess following the meeting.

The regular meeting in July will be at the home of Mrs. H. Binley, 57 S. Milton St., Campbell.

MOTHERS COURSE SCHEDULE CHANGE

The exercise course for expectant mothers is to be held in room 67 at the Campbell High School from 1:30to 3:30 on Monday afternoons. This is a change in schedule from that previously announced.

Gayle Schrader Weds Adolph Wagner In Rites

Miss Gayle Schrader, daughter of Mr. and Mrs. G. K. Schrader of Union avenue, became the bride of Adolph Wagner, in a double ring ceremony before the flower decked altar of the Trinity Episcopal Church of San Jose with Rev. Mark Rifenbark performing the rites.

Gayle, given in marriage by her father, approached the altar in a ballerina-length gown of white nylon net, with dainty raised roses enhancing the delicacy of the traditional white. The bridal gown featured a boat neckline, long sleeves, and bouffant skirt. Her finger-tip veil of French illusion net was secured by a bridal cap of nylon net and seed pearls, and she carried a bouquet of stephanotis centered with an orchid corsage.

Serving her sister as maid of honor, Miss Carole Schrader was attired in a redingote of white nylon net over a ballerina length gown of pink taffeta. Carole wore a bandeau of pink taffeta and carried a nosegay of be-ribboned marguerites.

Bridesmaids Beverly Ridenour and Lois Wagner, sister of the groom, also wore redingotes of white nylon net over pastel green taffeta gowns. They, too, wore bandeaus of taffeta and carried nosegays of marguerites.

Roland Clard served as best man and guests were seated by Glen James and Bill Mullins.

Mrs. Schrader attended her daughter's wedding in an ice blue nylon taffeta afternoon frock. Her accessories were of black patent, and she pinned on an orchid corsage.

Mrs. Wagner, mother of the groom, selected a gown of slate blue nylon lace. She, too, pinned on an orchid.

The newlyweds received the felicitations of their guests at a reception held immediately following the ceremony, in the Women's Club of Campbell, where baskets of seasonal flowers were in abundance. The bridal table featured a tiered wedding cake, surrounded by floral arrangements.

When the couple left for an extended honeymoon at Lake Tahoe, Gayle was wearing a melon suit of imported linen, with navy and white accessories, offset by the orchid from her bridal bouquet.

Gayle attended Campbell High School and graduated earlier this month with the 1954 class of San Jose State College. She is a member of Alpha Chi Omega and will teach physical education at Pala School next year.

Adolph, son of Mr. and Mrs. Adolph Wagner Sr. of San Jose, attended local schools and is currently serving with the U. S. Army.

Upon their return, Gayle and Adolph will make their home in San Jose.

Improvement Club Barbecue Sunday

The San Tomas Improvement Club will hold its annual barbecue this Sunday at 4:00 p. m. at the Los Gatos Municipal Park.

All members and their families have been invited to attend and are asked to bring their own service.

Serving on the committee for arrangements are Mmes. H. G. Blohm, Frank Welch, Cliff Miller, Ralph Nelson, Fred Smith and Milton Parker.

Fort Humboldt at Eureka was erected in 1853 as headuarters for United States military forces assigned to control hostile Indians.

The San Francisco Vigilance Committee of 1856 was organized to suppress law-breaking fostered by a corrupt political administration.

Golden Wedding Party Planned

Mr. and Mrs. Theodore Anderson of 230 West Campbell Ave., are holding open house this Sunday afternoon in celebration of their golden wedding anniversary.

A cordial invitation to attend has been extended all the friends of the couple.

The Andersons were married in Maple Grove, Wisconsin 50 years ago on the 29th of June and have made their home in Campbell for the past fifteen years.

A three-tiered cake decorated in the golden wedding theme has been ordered for the occasion and will be trimmed with golden leaves and topped with a wedding bell.

Mrs. Georg DuMont, the Anderson's daughter, from Albany, Oregon, has made plans to attend the party with her husband and their daughter, Mrs. Byron Robinson, also of Albany.

The Anderson's son and his wife, Mr. and Mrs. Angus Anderson, and their family are planning to attend from Mountain View.

Vacationists are joining the clean roadside club—it's the easiest thing to do. Carry paper bags in your car for cigarette and gum wrappers, bottles and cans, tissues and other waste. Then dispose of the bags in convenient roadside receptacles.

TRY A CLASSIFIED AD IN THE CAMPBELL PRESS

Glamorous California State Fair models take a look into the future as they optn the chrome steel time capsule which will be entombed on the fairgrounds when the State Fair celebrates its 100th anniversary September 2 through 12 in Sacramento. Left to right are Irtne Aaker of Fort Bragg, Donna Rea of Alameda and Diana Herkomer of Sacramento, all student nurses at Sacramento. County Hospital.

Old Locomotives Never Die – What?

Once again before they become extinct a 2300-class steam lomomotive will operate on peninsula commute trains on Saturday and Sunday, June 26 and 27. The 2300-class ten-wheelers have not been used in regular commute service since the close of World War II, having been replaced by larger locomotives.

Through J. J. Jordan, superintendent of the Coast Division, Southern Pacific Co., locomotive number 2381 will operate both days so the more than 1000 bay area and peninsula railfans can photograph and once again ride behind one of these former workhorses of peninsula service.

The schedule will see the 2381 leaving San Francisco both mornings on train 112 at 8:20 a. m., Daylight Saving Time, and arriving in San Jose at 9:50 a. m. Returning on Saturday the 2381 will power train 175 leaving San Jose at 4:25 p. m., and arriving at San Francisco at 5:50 p. m. Sunday train 169 will be used, leaving San Jose at 11:10 a. m., and arriving at San Francisco at 12:35 p. m.

These light mid-day trains will soon be powered by diesel-electric locomotives, and smaller steam engines such at the 2381 are destined for the scrap pile.

Santa Clara Lady Victim Of Joker

Mrs. Nellie Walsh, 846 Bellomy Street, continued to be plagued by the culprits who are sending to her door delivery men and services for which she did not ask.

Monday she told Santa Clara police that another moving van came to move her to Los Angeles and another television repair man answered a call, which she did not place, to come to her home to fix her set.

The past two months Mrs. Walsh says she has had everything from an unasked for hearse to uncalled for firetrucks come to her house to perform unneeded services.—Santa Clara News.

Peninsula Artists Exhibit At Fiesta

San Mateo county's most important art event, the Fiesta Fine Art Show sponsored by the Peninsula Art Association, will be held for the sixth time in conjunction with the San Mateo County Fair and Floral Fiesta, August 6 through 14. In a large wing of the Fiesta building a gallery will be constructed where original paintings and sculpture of San Mateo county artists will be on view to Fiesta visitors.

Artists who are not Peninsula Art Association members are requested to send their names and addresses before July 20 to the Peninsula Art Association, Box 248, Burlingame, if they wish to submit works. Entry blanks and conditions of entry will be mailed to them.

Entries will be limited to original works by residents of San Mateo county or by members of the Peninsula Art Association. Media will include oil, tempera, water color, gouache, pastels, prints, (etchings, lithographs, and block prints) and sculpture. Works must not have been exhibited in a previous Fiesta Fine Art Show.

As in past years each artist will be limited to three entries.

This will be a jury show. The judges, t obe announced later, will be recognized art critics who are not members of the Peninsula Art Association, according to A. C. Keene, the association's exhibit director and general chairman of the Fiesta Show.

Cobb Leads Little League In Batting

True to his famous namesake, Cobb of the Campbell Stamp Association is whamming the baseball at a .750 clip in the Campbell Little League followed by Testa and Sapien of Western Gravels.

Following is a list of the .350 or better hitters in the league:

Player	Tm.	Gms.	AB	R	H	Pct.
Cobb	C. S.	3	4	1	3	.750
Testa	W. G.	3	3	2	2	.667

Hilton	C.P.	4	8		3	.375
Ezzie	W.G.	4	11	8	4	.364

Italian-American Club Is Leading Soft Ball League

The Italian American Club has taken a commanding lead in the Campbell softball league with four wins and no losses with St. John trailing with a two win loss count. Concrete Service has two wins and one loss, Western Gravel one win and two losses, Macs Market with two wins and two losses, Mongoose with one win and two losses, San Jose Meat with two wins and two losses and VFW with no wins and three losses.

Tonight at 8:15 on the Grammar School field, Western Gravel take on the I. A. C.

WHAT'S DOING

T. T. Cook, Jr., your Telephone District Manager for Campbell

New cable sheath saves money

If you look closely at the telephone cables in the picture—both similar to the ones that carry your calls—you'll see a difference in their coverings. The outside of the cable on the left is made of lead. And, formerly, only lead did a good job of protecting the vital wires inside. But now we have a new cable covering called "stalpeth" (the one on the right). Perfected after long research, it's made of aluminum, steel, and plastic. Stalpeth weighs less than lead and costs less—up to 43 cents a foot less. We're using it wherever we can . . . to furnish more service, good service, at low cost to you. **Pacific Telephone works to make your telephone a bigger value every day.**

Easy way to speed long distance calls

You'll get faster long distance service if you give the operator the telephone number you're calling, rather than just the name and address. And to help you keep out-of-town numbers handy, we'll be glad to send you a free booklet to list them in. For your copy, just call, write, or drop in at our business office.

San Jose, Stockton Operators Team To Save Life

Through the efforts of San Jose and Stockton Traffic women, a life was saved on April 27.

At about 11 a.m. a San Jose toll operator received a call from a frantic San Jose woman. She explained that a friend was ill—too ill to give the name of her doctor. The only person who had the doctor's name was the customer's sister, a Stockton resident.

The sister had no phone and the woman didn't know her name or whom she lived with.

Operator Louise Mondelli and Supervisor Agnes Krause enlisted the aid of Helen Walsh, Stockton information supervisor. Helen hear the frightened woman explain her problem; then went into action.

She looked in the city directory in an attempt to locate a nearby telephone.

After calling a neighbor, she learned that the sister now lived with a friend, who had a telephone.

The call was completed; a dooctor was summoned, and the patient was rushed to the hospital.

Although the patient was critically ill, she is now on the road to recovery.

Others who helped locate the woman were Toll Operators Mildred Burch and Mary Ann Barozzi.

Congregational Church Notes

The Rev. Robert Murray Pratt, D. D., father of the Congregational State Superintendent, will conduct the Sunday services at the Congregational Church June 27, in the absence of Dr. Corwin H. Olds.

Dr. Olds left Monday for his annual camp out with the California Cadet Corps. This year Dr. Olds and his unit will be stationed at the East Garrison of Fort Ord, with 1000 boys of high school age from various sections of California.

GI Bill Holding Imprint On Lives Of Many Veterans

The GI Bill, a law that has left its lasting imprint on the lives of millions of veterans and on America itself, reached its tenth anniversary today.

The law contained three major benefits to help veterans in readjustment to civilian life.

One, was a program of guaranteed loans for homes, farms and businesses. It still is in force. Another, education and training at Government expense, is approaching its end. The third, reajdustment for periods of unemployment has already faded into history.

Veterans have not let down the American people either, according to statistics released today by the Veterans Administration.

The average veterans used his GI loan to buy a substantial, middle-priced home—neither a "cracker box" nor a mansion.

A recent survey disclosed that 60 percent of GI homebuyers paid between $10,000 and $15,000 for their homes. Thirty percent paid under $10,000; eight percent, between $15,000 and $20,000, and two percent, over $20,000.

Veterans' record of repayment is unmatched, VA said.

Over the past decade, 650,000 GI loans, amounting to $3 billion, have been repaid in full.

Defaulted loans—on which VA has made good the guaranteed portions to private lenders—numbers only 32,000 or less than one percent of all loans received by veterans.

Turning to GI Bill education and trtaining VA revealed that more than 7,800,000 World War II—half of all who served during the war—trained under the GI Bill over the past 10 years.

Of the total, 2,200,00 attended colleges and universities; 3,500,000 went to schools below the college level; 1,400,000 took on-the-job training, and 700,000 enrolled in institutional on-farm training, a combination of classroom work and practical experience on the farm.

Included in the below-college total are 150,000 veterans who were given the chance to learn to read and write in accelerated grade school classes for adults.

America's veterans have trained for nearly every occupation at which man earns his living.

Salinas Getting Ready For Rodeo

New faces and new features of strictly authentic Western entertainment is the theme of the 38th annual presentation of the California Rodeo at Salinas July 15 to 18.

Committees under the leadership of Dr. E. J. Leach, serving hs first term as president, have added cowboy and cowgirl races and cutting horse contests this year and will present chuck wagon racing on a competitive basis for the first time with teams entered from Montana, Wyoming and Colorado.

Bobby and Gene Clark, who have won an enviable reputation as bull-fighters in eastern rodeos will make their first appearance as clowns at Salinas where the nation's top cowboys will compete for the richest purses of any similar four performance event in the world.

Arena events will include bareback and saddle bronc riding, bull riding and bull dogging, and calf roping and team roping, with stock hand-picked from four rodeo contractors to assure a lively time for both contestants and spectators.

Combined Masonic Lodges To Picnic

This Sunday a combined picnic of George Tutt and Charity F & A. M. Masonic Lodges will be held at La De Viega Park in the Santa Cruz Mountains.

So-Journers, DeMolay and Jobs' Daughters groups have been invited to attend.

Baseball and horrseshoe games will be served at 12 noon and picnic-goers are asked to bring their own table services.

Baseball and horrseshoe games will be available to all.

Proposed Hospital Topic At Rotary

Bernard Caughey, public relations director for Doctors Hospital in San Jose, was guest speaker at the regular Monday meeting of Campbell Rotary Club.

His topic was the advisability of Doctors Hospital establishing a hospital in the West Valley.

The speaker first covered information on hospitals in general saying that the largest item in the hospital budget was payroll. Employees often total two and a half per hospital bed.

Caughey stated that Doctors Hospital bid on the land owned by the West Valley Hospital but that bid was rejected. Following this refusal investigations were made of the Hillview Convalescent Home and finding that the home meets federal and state reuirements in general and would need some additions to make it an operating hospital.

Doctors Hospital is now negotiating for the rest home property and is making a survey of doctors in the area to be served by the proposed hospital to determine whether or not they would be in favor of the project.

Plans are for a non-profit hospital and a self-governing administration.

Project would be financed by approaching both doctors and the public for funds and by a certificate payment plan to be set up.

Les Harmon reported briefly on the Rotary Convention he attended oat Seattle, Wash., saying that highlights were the address by John Foster Dulles and a colorful and spectacular pageant.

All members of the Campbell Rotary Club have been invited to attend a Sports Day for all county clubs this Friday evening at the Los Altos Country Club.

Today is DOUBLE STAMP Day

PLANNERS STUDY CAMDEN AVENUE SHIFT PROPOSAL

The city planning commission took under advisement the proposal of the County Engineer's office to realign Camden avenue at the Winchester Road intersection to make it safer, wider and a greater angle. The proposal came in a letter from Leonard Bushnell, County Engineer in keeping with plans for making Winchester Road a four lane highway from Camden avenue at the south to Stevens Creek Road at the north. Traffic from Winchester Road would be channelized for motorists entering Camden avenue.

The planners will study the proposal for two weeks then submit a recommendation to the city council for action.

Ralph Weaver withdrew his application to rezone 80 x 200 foot lots on Dover Way to a R-3-S classification involving height limits, so that it remains under R-2 zoning which allows construction to 35 foot height.

The planners gave artichetural approval to plat plans submitted by William Henley for a duplex and carport on part of his property at 121 South Winchester Road.

The northeast corner of Hamilton and Central will have a twenty-foot curvature with curb and sidewalk continuous in plans approved by the planners as part of the Shady Acres map.

Approval was given the application of General Petroleum Corporation to erect a station at Hamilton avenue and Winchester Road on the property of Peter D. Peralto.

Today is DOUBLE STAMP Day in Campbell. Buy at home and SAVE.

In Loving Memory

Donald Ray Stephens was born in Milburn, Ky., Sept. 27, 1936. Died June 12, 1954.

Don moved to California with his parents from Toledo, Ohio, in 1947.

He was an active member of the San Tomas Baptist Church, having been a Christian since a very early age in life. He had spent the past 6 years in the schools of Campbell, participating in various activities of school.

He had crowded many years into the 17 years he was permitted to live, always friendly to every one he met.

DONALD RAY STEPHENS

"A precious one from us has gone
A voice we loved is stilled
A place is vacant in our home
Which never can be filled.
We miss your presence more and more
Our hearts are oh so sad
But soon we'll meet on the other shore
With cares forgotten we'll be so glad
But while we're left to linger here
The days will seem so long
But all things will not seem clear
'Till we meet with Heaven's redeemed throng.
And at the close I would say
Don is not dead, he is just away.

His Mother,
Mrs. Hester Stephens

Big Substation Near Evergreen Now In Service

Pacific Gas and Electric Company's new $500,000 substation near Evergreen has gone "on the line" and is supplying increased power for much of the area on the outskirts of San Jose, it was announced today by W. R. Bowler, division manager.

Evergreen Substation is situated about half-way between San Jose and Evergreen, in an orchard facing Senter Road near Umbarger Road.

Completion of the job, which was started a year ago with the installation of part of the transformer banks, means that customers from Evergreen to Campbell on the west, and to the Berryessa district on the north, will have extra power in their "pool" Bowler explained.

The power comes from 110,000-volt lines running between the giant Newark Substation and the Moss Landing Steam Plant near Monterey. At the Evergreen Substation, the power is reduced to 60,000 volts for transmission to other substations, and these smaller stations in turn reduce the voltage for distribution to customers in their areas.

"This installation," Bowler said, "is part of a long-range program by which we plan to keep ahead of the continually increasing electric demands of the area. Not only does the Evergreen Substation provide more power, it also provides more reliability through the inter-change of electricity from one point to another in the event of service interruptions."

'THE GLORIOUS 4TH'

At the first rays of morning light
Mother gave a happy cry,
"Awake and get dressed quickly
For this is the Fourth of July!"

Boss must be milked, chickens fed
The pig must have its corn
The horses have had their barley,
For this is the picnic morn."

No second call was needed
Quickly we sprang from our beds
Visions of the picnic joys
Went dancing through our heads.

When we had eaten breakfast
We went with a will to our work
For this was the day of the Picnic
And this was no time to shirk.

Then we climbed in the wagon
Dressed in our very best
While Mother brought the lunch box
And Daddy buttoned his vest.

Oh, the joy of arriving at the grove
Where the picnic was given
It seemed to the little children,
Just like a slice of Heaven

There were vast crowds of people,
There must have been forty on hand,
With little flags a-flying
And music by a band.

We ate at one long table,
The goodies that were spread!
We just couldn't eat them all—
Chicken pies, cakes and gingerbread.

There was one crowning glory;
Under an oak tree shade
There stood a huge bucket
Filled with pink lemonade.

Gold locks have turned to silver,
And time has had her way—
Yet fond memories are still clinging—
To that long gone Picnic Day.

Clara Beebe Baldwin

Christian Science

The vital importance of understanding the inspired Word of the Bible spiritually will be brought out at Christian Science services this Sunday.

The Lesson-Sermon entitled "Christian Science" includes the following selection from "Science and Health with Key to hte Scriptures" by Mary Baker Eddy:

"The Scriptures are very sacred. Our aim must be to have them understood spiritually, for only by this understanding can truth be gained . . . It is this spiritual perception of Scripture, which lifts humanity out of disease and death and inspires faith" (547: 23-25, 31-32).

From the King James Version of the Bible the following passages will also be read:

"For ever, O Lord, thy word is settled in heaven . . . O how love I thy law! it is my meditation all the day . . . Thy testimonies have I taken as an heritage for ever: for they are the rejoicing of my heart" (Psalms 119:89, 97, 111).

The Golden Text is from Isaiah: "Awake, awake; put on thy strength, O Zion; put on thy beautiful garment, O Jerusalem, the holy city" (52:1).

C.N.P.A. NEWS SERVICE

"MISS PERFECT POSTURE"—That's what judges called Wanita Wilent, (right) of San Jose, after contest held by the California Chiropractic Association at Hotel Sainte Claire, San Jose. Dr. Leo E. Montenegro, of Hollywood, president of the doctors, was chairman of the judges.

St. Lucy's Club Plans Card Party

Members of the St. Lucy's Womens Club are holding a card party tomorrow afternoon, starting at 2:15 in the Country Womens Club House. Prizes will be given and refreshments served.

The committee on arrangements include Mrs. M. Walsh, chairman; Mrs. F. Aiello, Mrs. P. Stoyanvich and Mrs. M. Fields.

Mr. and Mrs. RAY BISHOP are returning next week from a sojourn in Honolulu.

The CARL BOHNETTS of Sanford Court are in Hawaii for an extended visit.

BRUCE ALLEN AT INTERIM HEARING ON PUBLIC LANDS

Assemblyman Bruce Allen, 29th District, left yesterday to attend three-day hearings of the Assembly sub-committee on Public Lands, Grazing, and Forest Practices in Sacramento.

In particular, the hearings will deal with the organization and policies of the Division of Beaches and Parks and the allocation of Tidelands Oil monies for the new beaches and parks program.

Allen will represent the Joint Interim Committee on Tidelands Oil monies at the hearings.

SIX CAMPBELL GIRLS ENTER QUEEN CONTEST

Six Campbell area girls are among the 20 contestants who have qualified for the queen contest which will feature the Santa Clara County Youth Center's sports car road race to be held Sunday, July 18, at the County Fair Grounds.

The road race will climax the first phase of the Youth Center's 200,000 building fund campaign, now in progress. Winner of the queen contest will receive an all expenses weekend trip for two to Las Vegas or Hollywood and will reign over the race and the Victory Dinner to follow that evening at the Sainte Clairt Hotel in San Jose.

This is a popularity contest, with the title of "Miss Santa Clara County Youth Center" and prizes going to the girls receiving the most votes by the time the contest closes at midnight Monday, July 12.

Votes are received through $1 contributions to the Youth Center's building fund, it was explained. A receipt for a contribution will entitle the purchaser to see the Road Race and will count as a vote toward the designated contestant.

Campbell area contestants and their sponsors are Midge Brandt, 21, Quito Shopping Center merchants; Patricia Golden, 17, Bud's Texaco Service, Campbell; Joyce Gomes, 17, Rendezvous Dance Club, San Jose; Elaine Grizilo, 17, 20-30 Club of San Jose; Alice Jones, 18, San Tomas Merchants, and Patricia Taylor, 19, Cambrian Park Merchants.
